

Disaster risk governance:

Progress and challenges

R Zehra Zaidi

Research Associate

Institute of risk and Disaster Reduction

University College London (UCL)

Disaster risk governance

- Priority in HFA

Sendai:

- Priority 2: Strengthening disaster risk governance to manage disaster risk

Implementation

- Implementation is local
- Disasters are local
 - Eg: Data and scientific information aggregated at national scale

Young scientists and governance

- Authority
- Association
- Influence
- Funding

Future interventions

- Enter at the local level
- New technologies and approaches
 - Eg data collection through social media and crowd sourcing
 - Platforms and funding sources
