

Of Social Vulnerability and Statistical Capacity

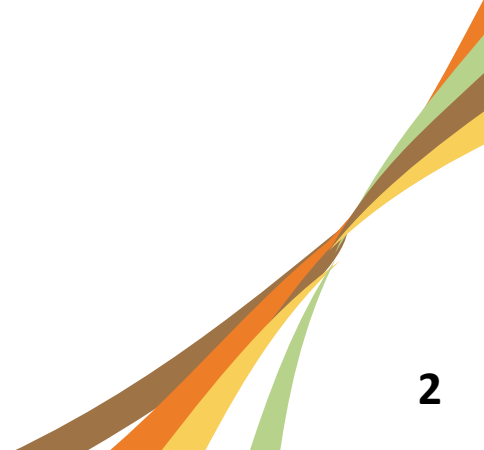

PARIS21 Innovations Marketplace

PARIS 21

Partnership in Statistics for
Development in the 21st Century

Social vulnerability

Social vulnerability

You know about it,
but you don't
want/can't do
anything against it

You don't know about it

Social vulnerability

You know about it,
but you don't
want/can't do
anything against it

You don't know about it

Social vulnerability

~~You know about it,
but you don't
want, can't do
anything against it~~

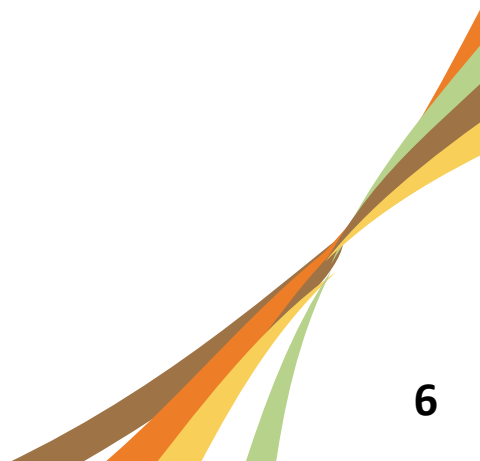

You don't know about it

Social vulnerability

~~You know about it,
but you don't
want, can't do
anything against it~~

PARIS21 Innovations Marketplace

Identification & Classification

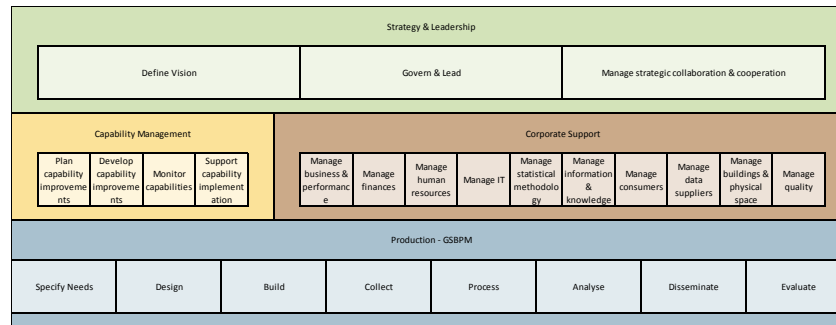

Statistical Capacity Assessments

Development Data Innovations

Mapping to GAMSO

Informing Modernisation Processes

What is the Innovations Marketplace?

1. Intelligent Solution Finder for Statistical Capacity Building
 2. Repository for Innovations in Official Statistics
 3. Collection of Statistical Capacity Information

How does it contribute to Risk Management?

1. Prevention supported by providing conditions to produce relevant information
2. Reaction supported by introducing real-time technology to statistical system
