WHAT DOES IT MEAN TO BE VULNERABLE?
WHAT CREATES VULNERABILITY?
Another way to visualize the wealth divide: compare the most affluent households with the least affluent.

Each blue dot represents two households with income greater than $200,000.

Each yellow dot equals two households with a mean annual income less than $25,000.
CAN WE SEE VULNERABILITY?
DO WE KNOW HOW TO REDUCE VULNERABILITY?
